Case No. [16-cv-01079-MMC](#)

**ORDER GRANTING MOTION TO
INTERVENE**

Re: Dkt. No. 19

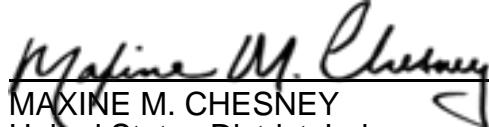

12
13 Before the Court is the Motion to Intervene, filed March 21, 2016, and noticed for
14 hearing on April 29, 2016, by Siskiyou County, the American Forest Resource Council,
15 Gary Rainey and George Harper (collectively, “proposed intervenors”), pursuant to Rule
16 24 of the Federal Rules of Civil Procedure. On April 4, 2016, plaintiffs and the federal
17 defendants filed, respectively, a statement of non-opposition, each conditioned on the
18 Court’s precluding the proposed intervenors from raising new claims, conducting
19 discovery outside the administrative record, and seeking to supplement the administrative
20 record; additionally, the federal defendants sought an order providing that they need not
21 share applicable page limitations or argument time with the proposed intervenors. On
22 April 8, 2016, the proposed intervenors filed a single reply. By agreement of the parties,
23 the matter was advanced to today’s date for hearing. Having considered the parties’ and
24 proposed intervenors’ respective written submissions, as well as the statements of
25 counsel at the hearing, the Court rules as follows.

26 For the reasons set forth by the Court on the record at the hearing, the Motion to
27 Intervene is hereby GRANTED without imposition of conditions, and without prejudice to
28 any party raising any of the above-referenced or other procedural concerns as the

1 litigation progresses.

2 **IT IS SO ORDERED.**
